Another popular division is one where there is two thirds sky and one third foreground. This one is used more often in seascapes.

INSTRUCTIONS

Cut out these items and use them to make your own collage. Once it's done, scan it and email it to info@kolajmagazine.com with "Cut-Out Page" in the subject line.

We really want to see what you came up with. If we like it, we will put it on our website. If we really, really like it, we will send you a prize.
